

Ecological Landscaper Referral List

Daily Acts is stoked to be to provide this referral list of landscape contractors within Sonoma County who are helping to transform our local landscapes and gardens into thriving, edible, water-harvesting, greywater recycling, water-wise, native and pollinator-loving oases!! If you choose to hire one of these contractors, please let us know how it went!! While we have done our very best to ‘vet’ the work that they have performed to date, please be sure to do your own due diligence, shop around a bit and get a couple of different quotes. PLEASE take before and after pictures, and send them our way: moreinfo@dailyacts.org!
