

Let's
Clean Up
the Creek!

Join Daily Acts and the City of Rohnert Park at Copeland Creek to help reduce pollution and keep our waterways clean!

Be a part of this community effort to beautify a local waterway. Come learn about native plants and how they will help create a healthy habitat for local critters. Potluck lunch provided!

**Saturday,
September 17th
10am-2pm**

COPELAND CREEK REVIVAL

Why You Should Come...

- **Build Community:** Meet neighbors and make friends during this effort to revitalize our local waterway. Interact with like-minded individuals, and get inspired to be the change you wish to see in the world.
- **Restore Habitat:** Create a healthy and rich ecosystem for native plants and animals to thrive in. Understand the power of our daily actions, and how you can prevent stormwater pollution.
- **Promote Safety:** Establish a network of people who can help protect the area and habitat.
