**LEADERSHIP**  
INSTITUTE

INSPIRING LEADERS for JUST and RESILIENT COMMUNITIES

## Leadership From The Inside Out

### Personal Leadership

- Hone in on your purpose, values and strengths
- Learn trauma-informed self care practices
- Improve stress management

### Civic Engagement

- Meet inspirational local leaders working to address systemic racism, climate change, inequitable economies, health & more!
- Learn how communities and government can collaborate to establish local policies and programs
- Learn how to build bridges across difference

### Collective Power

- Grow skills of nonviolent communication
- Integrate art, play, and creative connection
- Build relationships and graduate into an alumni network of 500+

## Join the Class of 2022!

We hope to return to holding class in person by fall of 2021. Until groups of 25-30 people are allowed to meet in person (our preference), we will hold class via zoom.

Applications Due JUNE 1
