Mary Klein

Email: missmaryklein@yahoo.com

Phone: (415)574-8445

Location: Petaluma, Santa Rosa, and surrounding areas

About: “I have a passion for helping folks find independence from the usual systems in place. I value exploring alternative ways to harness and reuse water and energy sources. I can offer gray water design and installation for you with a crew, or I can do it with you to help you learn and teach you as we go. Whatever your preference is. I love working in the plant world with a strong emphasis on water conservation and native plant species.

I can provide clients gray water, design and installation, as well as maintenance and garden maintenance. I received a Permaculture Design certification from OAEC, Laundry2Landscape Fundamentals certified through Greywater Action, as

well as 6 years of experience as an Independent Contractor providing garden services and guidance.”
