

Daily Acts Organization 2020 Impact Report

2020 was a big year! Thank you for supporting the adoption of ECO2school Youth Climate Leadership Program, finalizing Petaluma's Climate Emergency Framework, presenting to a global audience at Bioneers Conference, and working with dozens of local and regional partners in collaboration on all of this and so much more.

2020 Program Spotlight:

GARDEN KIT DISTRIBUTIONS

There is a power in relationships, networks and coalitions. Look at what can happen when we reclaim our power to care for our community in response to a crisis.

As a part of our Be the Change Campaign, we partnered with the Botanical Bus Bilingual Mobile Herb Clinic, Left Coast Wholesale, Mercy Wellness and many others to assemble and distribute

1,030 garden starter kits to members of the Latinx community and local families experiencing food insecurity.

We Won Best Nonprofit!
